The name film originates from the fact that photographic film also called film stock has historically been the medium for recording and displaying motion pictures. Many other terms exist for an individual motion-picture, including picture, picture show, moving picture, photoplay, and flick. The most common term in the United States is movie, while in Europe film is preferred. Common terms for the field in general include the big screen, the silver screen, the movies, and cinema the last of these is commonly used, as an overarching term, in scholarly texts and critical essays. In early years, the word sheet was sometimes used instead of screen. Film in general is not a good term to refer to a long standard commercial video production since it’s ambiguous in general and therefore requires context for correct interpretation.

Within the industry, it is suggested that after the pandemic is contained and major events reschedule, the less-important business events and festivals may be more permanently removed from industry calendars, to allow more important events to happen, because they may be deemed unnecessary if no great effect is felt by their cancellations, and to ease finances of the industry as it enters a recession brought about by coronavirus-caused losses.70 The Tribeca Film Festival and YouTube worked with several international partner film festivals to launch We Are One: A Global Film Festival, an international online festival of films screening for free on YouTube between May 29 and June 7.71

Early home media releases The 2019 film Frozen II was originally planned to be released on Disney+ on June 26, 2020, before it was moved up to March 15. Disney CEO Bob Chapek explained that this was because of the films powerful themes of perseverance and the importance of family, messages that are incredibly relevant.135136 On March 16, 2020, Universal announced that The Invisible Man, The Hunt, and Emma – all films in theaters at

the time – would be available through premium video on demand as early as March 20 at a suggested price of US.99 each.137 After suffering poor box office since its release at the start of March, Onward was made available to purchase digitally on March 21, and was added to Disney+ on April 3.138 Paramount announced on March 20, Sonic the Hedgehog is also planning to have an early release to video on demand, on March 31.139140 On March 16, Warner Bros. announced that Birds of Prey would be released early to video on demand on March 24.141 Three days later, the studio then announced that The Way Back would also be available on video on demand the same date as Birds of Prey.142 On April 3, Disney announced that Artemis Fowl, a film adaptation of the 2001 novel of the same name, would be released straight to Disney+ on June 12, skipping a theatrical release entirely.143144
